

8th Annual ALS Guardian Angel Walk 2019

Helping Families of Lou Gehrig's Disease

**To Benefit the
ALS Guardian Angel Foundation**

**William R. Mason Regional Park
18712 University Dr
Irvine, Ca 92612**

Join us at our **8th Annual ALS Guardian Angels walk** to benefit the ALS Guardian Angels Foundation. This foundation is dedicated to giving financial aid to victims of ALS. Also known as Lou Gehrig's Disease, this a fatal disease that has no treatment or cure and a 2-5 year survival rate. It destroys the nerves that tell the muscles what to do, leaving the victim paralyzed, unable to talk, eat or breathe, all while the mind stays sharp. Unlike cancer and diabetes, this disease gets little media attention, so we need your help to bring awareness and raise money to help these families. There are over 35,000 victims in America today, let's help them. Bring the family. Friendly, leashed dogs are welcome in the park.

Date: Saturday, September 28th

Time: check in: 9:00AM

Walk Starts: 10:00 AM
