

**WALK FOR ALSGA 2019**

Dear Prospective Sponsor,

We are planning our 8<sup>th</sup> Annual Charity WALK to raise money for the ALS Guardian Angels, a foundation dedicated to giving financial aid to families of victims of ALS, a fatal disease, which most people know nothing about. ALS, also known as “Lou Gehrig’s Disease” is a neuromuscular disease which destroys those nerves that “tell” the muscles what to do. As a result, muscles atrophy and literally die, leaving the victim completely paralyzed, unable to talk, eat and ultimately to breathe. Tragically there is no treatment or cure for ALS and the survival rate averages two to five years.

This is just one of the many stories of ALS Victims:

Scott was diagnosed with ALS at age 42 and was literally imprisoned in his body within two years requiring 24-hour medical care. He had a wife and three children and could no longer work to support his family resulting in a tremendous financial hardship. ALS Guardian Angels stepped in and helped Scott’s family when it was needed most. Scott passed away 2011 at age 45 but we will continue his fight to bring awareness & raise money to help victims have a better quality of life while they are on this journey. ALS Guardian Angels is a foundation that helps families like Scott’s, who can’t pay their bills or afford equipment needed for the ALS patient due to the horrific results of this disease.

We are seeking sponsors who will help this foundation continue its work. Your gift to the ALS Guardian Angels Foundation is tax deductible.

You will find our 501 C3 tax Id # 26-2671920 receipt located at the bottom of this letter.

The 8th Annual ALS Guardian Angels Walk will be held on September 28th, 2019 at William R. Mason Park, 18712 University Dr, Irvine, Ca. 92612. Check: 9:00 AM & the Walk begins at 10:00AM. We welcome as many walkers as possible. If you have a loved one that you would like to walk in honor or memory of, please join us. We are walking because they can’t.

Thank you in advance for your contribution!

Sincerely,  
Becky Gasper, Walk Coordinator
